After **log-in** or **sign-up**, you should see your username here. ➡️ Mark 👤

(1) Click **Delivery**, if you want to make a request for a driver to deliver your packages.

🛵
Delivery

Click on the user icon to view your profile page.

(2) Click **Ride**, if you want to make a request for a ride from a driver.

🚗
Ride

(3) Click **Earn**, if you are looking to make a delivery or ride on behalf of the requester to earn money.

💵
Earn

Delivery/Ride Page: the page the user should see when they click '**Delivery**' or '**Ride**'.

← **Delivery**

Enter pickup location

Where to?

To make a delivery/ride request,
(1) Fill in the location for you or an item want to be picked-up from, A
(2) Fill in the location where you or an item want to be dropped-off, B

Once you've filled in the pickup location and the drop-off location, a highlighted route will be displayed on this map.

(3) Fill in the price that you would like to pay for the delivery/ride.
(4) Fill in any additional instruction you would like to convey to the driver, if any.

Click **Request**.

Enter Price

Enter Instructions

Request

Awaiting Acceptance Page: this is the page that users will be directed to after making a request and until a driver has accepted the user's request.

The route from location A to B as specified in the delivery/ride page will be displayed here.

Awaiting Acceptance

All details of your ride request will be displayed here with a status, 'Awaiting Acceptance' including:
- Pick-up location
- Drop-off location
- Price you are willing to pay
- Instructions given
- Estimated distance
- Estimated duration

From: Location A
To: Location B
Price: <price goes here>
Service Type: <delivery/ride>
Instructions: <instructions go here>
Distance: <estimated distance of route>
Duration: <estimated duration from A to B>

You may **cancel** your request at any time IF a driver has yet to accept your request. You will be redirected to the main page (after log-in).
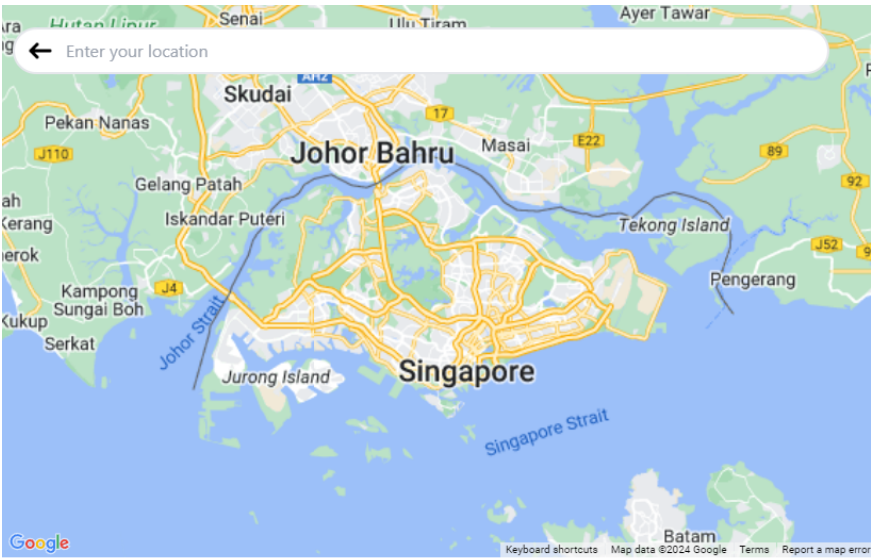

Cancel Request

Earn page: this is the page the user looking to be a driver will see

As the driver, enter your current location.

You will not be able to see any delivery or ride requests until you have entered your current location.

No requests available
Please try again later

Select any ride/delivery request will display the route onto the map.
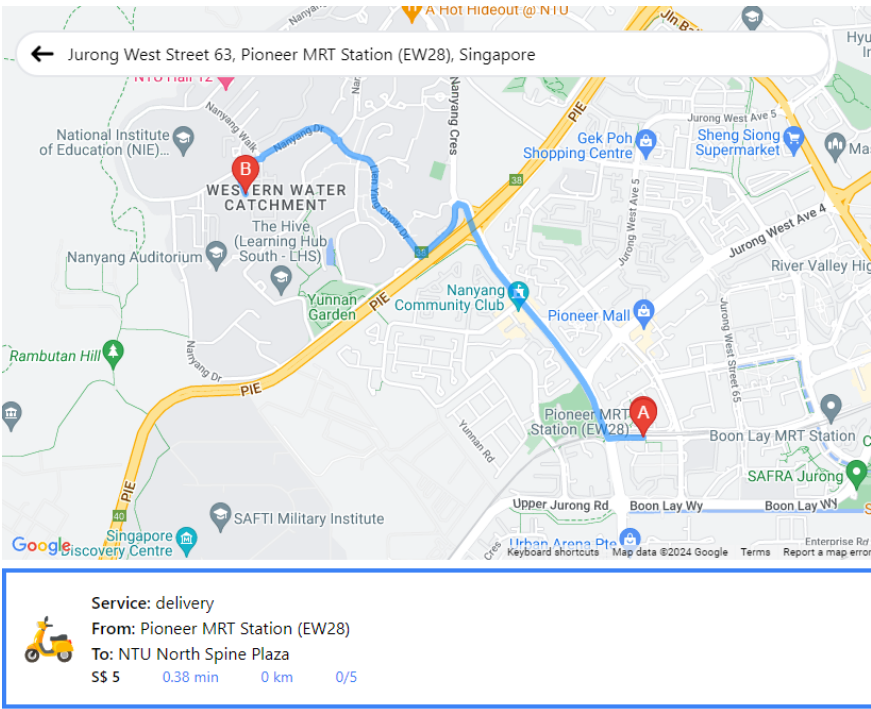

Ride/delivery requests will appear below the map after you have entered your current location. You may tap on any request to select it.
You may then click **choose** to accept the selected request.
